

(I) A DRIVER'S LICENSE ISSUED UNDER THIS SUBTITLE OF A CLASS THAT AUTHORIZES HIM TO DRIVE THE PARTICULAR TYPE OF VEHICLE; AND

(II) A CERTIFICATE ISSUED BY THE ADMINISTRATION STATING THAT THE HOLDER MEETS THE VISION REQUIREMENTS OF §16-110.1 (A) AND (B) OF THIS SUBTITLE.

(2) ON APPLICATION BY A HOLDER OF A DRIVER'S LICENSE, THE ADMINISTRATION SHALL ISSUE WITHOUT CHARGE A CERTIFICATE, VALID FOR 4 YEARS, STATING THAT THE APPLICANT MEETS THE VISION REQUIREMENTS OF §16-110.1 (A) AND (B) OF THIS SUBTITLE, IF THE APPLICANT:

(I) IS FOUND TO MEET THESE VISION REQUIREMENTS ON BEING TESTED BY THE ADMINISTRATION; OR

(II) PRESENTS A WRITTEN CERTIFICATION ACCEPTABLE TO THE ADMINISTRATION FROM A LICENSED PHYSICIAN OR OPTOMETRIST ATTESTING THAT THE APPLICANT MEETS THESE VISION REQUIREMENTS.

(B) TYPE II SCHOOL VEHICLE.

AN INDIVIDUAL MAY DRIVE A TYPE II SCHOOL VEHICLE IF:

(1) HE IS AT LEAST 18 YEARS OLD;

(2) HE HOLDS A DRIVER'S LICENSE ISSUED UNDER THIS SUBTITLE OF A CLASS THAT AUTHORIZES HIM TO DRIVE THE PARTICULAR TYPE OF VEHICLE; AND

(3) HE PASSES AN APPROPRIATE MEDICAL EXAMINATION.

REVISOR'S NOTE: This section presently appears as Art. 66 1/2, §§ 6-102.5 and 6-119.

Throughout subsection (a) of this section, the term "Administration" is substituted for "Administrator" for consistency with the balance of this title.

In subsection (a)(2) of this section, the present specification that the physician or optometrist be licensed "to practice in this State" is deleted as unnecessary and to conform to the similar provisions of §16-103.1 (9) of this subtitle; in any event, the law requires that the certification be "acceptable" to the Administration. Also, the present reference to an "ophthalmologist" is deleted as superfluous since he would be a "licensed physician".

The only other changes are in style.

16-104. CLASSES OF LICENSE—ENUMERATION.
